SKILLS TO SUCCEED ACADEMY
# QUICK START GUIDE: ADVISORS

Accenture's Skills to Succeed Academy is a free interactive, online employability training programme designed specifically to help jobseekers/students to choose the right career, find a job and be successful in the workplace. The training offers 36 bitesize modules featuring relatable characters, and focuses on teaching learners how to do things for themselves - building their skills and confidence and empowering them to take ownership for their job search. Innovative simulations provide a safe environment where jobseekers can practice for real life situations, such as job interview, instantly seeing the consequences of their decisions.
