## Quick Start Guide: Learners

Accenture's [Skills to Succeed Academy](#) is a free, interactive, online training programme to help your learners build skills and confidence through our Employability courses, to choose the right career, find and successfully apply for a job, and be successful in work. Our New Skills Now curriculum covers key critical skills for success in the future workforce. Through our simulation you can prepare for real-life situations—such as a job interview or the first day of work—with coaching and feedback along the way. Choose from 108 interactive, bite-sized learning modules to create your own personalised learning path.
